Key Stage 2

Pupil Acceptable Use Policy

This document has been developed to help you understand the rules of using computers in school. You should always follow the rules set out in this policy because these rules will help keep you and your classmates safe.

When using the school's ICT equipment and other information systems, I have understood and will do the following:

- I have read and know what the computer rules in this policy mean to me.
- I will only go on the Internet using my own username and password.
- I will make sure that my password for the Internet is difficult to guess and I will not share my password with anybody else.
- If I think someone has guessed my password, I will tell a teacher or a KS2 named person who will help me change it.
- I will not deliberately look for, save or send anything that could be unpleasant or nasty. If I see anything like this I will tell my teacher immediately.
- I will not try and get to any websites that the school has blocked access to.
- I will take care of any school-owned ICT equipment that I use in school or at home.
- I will only use memory sticks with permission from my teacher.
- I will not install or attempt to install any software on school computers or iPads.
- I will return any school-owned ICT equipment to my teacher at the end of each lesson.
- I know that my use of ICT can be checked and that my parent/carer will be contacted if a member of school staff is concerned about my safety.
- I will not eat or drink while using school-owned ICT equipment.

Social Media

- I know that some websites and social networks have age restrictions and I will not use them unless I am old enough.
- I will not say unpleasant or hurtful things about any member of the school online.
- I will not give away any of my personal details (full name, age, date of birth, sex, address etc.) or the personal details of other users in school, over the Internet. This includes photographs or video images of me, other pupils or members of staff.

- I will never arrange to meet anyone I have only met online, unless a trusted adult is with me.
- If I see any hurtful comments about the school, staff or pupils, I will take screenshots for evidence and report to my class teacher or the Head Teacher.

Managing Digital Content

- I will only use school-owned equipment to create pictures, video and sound. Pictures, video and sound will not be taken without asking permission first.
- I will not publish anything online that is created in school, e.g. images or pictures, without asking my teacher.

Email in School

- I will only use my school email address to contact people I know in school or those agreed by my teacher.
- I will take care in opening any attachments sent by email. I will not open an attachment, or download a file, unless I know and trust the person who has sent it.
- When sending emails I will make sure that they are polite and sensible. I will not use my school email account to forward chain emails.

Mobile Phones and Devices

- I will only bring my mobile phone or other device(s) to school with permission from my teacher.
- I will give my mobile phone or other device(s) to the office or my teacher for safe-keeping.
- I will only use mobile phones and mobile devices (e.g. Nintendo DS) when my teacher tells me I can.
- I will not take pictures in school on my mobile phone or other mobile device.

Agreement

I agree to follow the rules set out in this AUP. I know that if I break any of these rules my parent/carer may be told.
