Ancient Greek Day- Friday 26th October 2018

Dear Parents/ Carers,

This half term years 5 & 6 have been studying Ancient Greece. We have learnt about myth and legends, the democratic system of ancient Greece and all about how the Olympics started. We have been busy making stop/go animations involving Greek Gods and sketched some ancient artefacts. We've been very busy indeed!

To finish our half term off, we would like to organise a fun and interactive day where the children can really get into character and experience some activities that would have been around during this ancient time. We will be using clay to create some fantastic Greek style vases and even holding our very own mini Olympics! To add to this day, we ask that all children come dressed as an ancient Greek citizen or God/Goddess. Please do not feel like you have to spend a lot of money on this, a bedsheet and belt will do. There are lots of great ideas on the internet and some fantastic YouTube clips showing how easily this can be done.

We are asking some local supermarkets if they can donate some Greek food for an afternoon feast but, if you would like to provide any small items of Greek food for your child to share with the class it will be greatly appreciated. Please do not send any items in containing nuts.

Many thanks for your continued support,
Year 5 and 6 team
