Head teacher – Mrs D E Pollard

Dear Parent/Carer,

Due to the current circumstances, we will be unable to conduct our traditional Year 6 Leavers' Assembly before the end of the current school year. I am sure you will share our sadness that we cannot give our Year 6 children the send-off that they deserve at this time but we know you will understand why we have to take this step.

Although September means new beginnings at secondary school for our current Year 6 pupils, we would like to invite them back for a special assembly to celebrate their time with us, as well as awarding them with certificates and dictionaries.

Whilst we currently have some Year 6 children in school, it would be unfair of us to celebrate their achievements and not those of the children currently working hard at home. Therefore, we will be contacting you in September to invite you to a special evening assembly which we are hoping will also be attended by Mrs Pollard.

We will confirm the date closer to the time and subject to future Government guidelines in order to ensure everybody's safety on the school site.

Thank you for your support in these unprecedented times.

Kind regards,

Mr J. Horsley
Assistant Headteacher (Teaching and Learning)
