

In line with our Home School Agreement, we would welcome your support by:-

- ✓ Talking to your child about the work they have done in school
- ✓ Setting aside time to hear your child read, sharing stories and information books together
- ✓ When they bring work home from school, trying to encourage them by providing them with a quiet place to complete it
- ✓ Checking work before they return it to school
- ✓ Most importantly of all, praising them for their efforts and encouraging them to try their best.

We thank you for your support.

Information for Parents 4N

Autumn Term 2020

Dear Parents

This booklet provides you with some general information on the subjects that will be covered this term.

We have also included examples of ways in which you could further support your child's learning at home. Homework will be sent home every Friday in homework books, and it is to be returned to school by the following Wednesday. This will always be linked to work being done in school.

Don't forget, if you have any concerns please do not hesitate to contact us.

Yours sincerely,

Mr Norton

This term, during our work in **Literacy**, we will be using the Literacy and Language program, covering a range of fiction and nonfiction texts. We will also be reading and studying books by different authors. There will continue to be more emphasis placed on spelling, punctuation and grammar.

In **Numeracy**, we will be revising some of the Year 3 units of work before focusing on the Year 4 programme. We will be studying the four operations, measure and fractions. We will also be focusing on securing our knowledge of times tables.

In **Science** we will be studying 'Our changing world' and 'Where does our food go?'.
Our **Topic** for the term is called 'Extreme Earth'. We will be studying volcanoes and earthquakes.

In **French**, we will be learning: greetings, animals, names of body parts, colours, food and numbers 1-15.

PSHE will be taught through our Jigsaw scheme of work, looking at the topics; 'Being me in my world' and 'Celebrating difference'.

In **RE**, we will be studying the unit 'Belief in the community'.

Within **ICT**, we will be looking at using PowerPoint, animation and E-safety.

We will be learning about **Music** through our scheme of work called Charanga. In Autumn 1, we will be looking at the structure of songs linked to literacy and learning about music and styles of the 70s and 80s. In Autumn 2, we will be learning basic instrumental skills by playing tunes in varying styles using the glockenspiel.

In **PE**, throughout the term, we will be developing our dribbling and passing skills in football with a focus on improving our invasion techniques. We will also be studying gymnastics, dance and rugby. We would be grateful if you could ensure that your child has their PE kit and suitable footwear in school throughout the week. PE for 4N is on Mondays and Tuesdays.
