Head teacher – Ms T Turton

Monday 14th September 2020

Dear Parent/Carer,

On Friday we received notification from East Riding of Yorkshire Council that having reviewed the current situation they are strongly advising that all staff within primary schools wear face coverings at all times except when they are in the classroom. We are therefore introducing this measure with effect from today and I just wanted to keep you and your children up to date with this. This is a precautionary measure but one that they feel we should adopt at this time.

Please can I ask that if you are coming into the school buildings for any reason you wear a face covering and use the hand sanitiser that is provided. It is not mandatory for you to wear a mask at drop off and pick up times but as staff we will be wearing them as a precautionary measure.

Kind regards

Terri Turton
Headteacher
