## Friday 14<sup>th</sup> January 2022

### Year 6 and Foundation Weigh and Measure

The NHS nurses will be coming in on the following days to do the Foundation and Year 6 weigh and measure.

Foundation – Tuesday 18<sup>th</sup> January

Year 6 – Wednesday 19<sup>th</sup> January

### HEADTEACHERS MESSAGE

It has been a great first full week back in school and the children have really shown that they are ready and happy to be back in school learning. They are all filled with enthusiasm for the term ahead and visitors to our school have commented on how engaged the children are. Shortly before Christmas Mrs Raisin led us in completing the revalidation of our Careers Mark and we have just received the report this week. The assessors were really impressed by the children they spoke to:

Learners the assessor spoke with are all very enthusiastic and can tell the assessor about themselves and a range of inputs and experiences they have had to support their career learning and develop their aspirations and understanding of the world of work. They are successfully developing their self development, knowledge about the world of work and making links between themselves and their future aspirations.

I am really proud that despite the pandemic we have managed to retain the careers mark and would like to thank Mrs Raisin and all of the staff who worked hard to ensure that we continue to give our pupils access to a wide range of fantastic experiences and opportunities.

### School Car Park

Due to a number of people using the car park, the gate will now be closed and only people with a school pass will be allowed access.

This is to protect the safety of the children entering and exiting cars. Please ensure that children are not walking through the car park and that they use the pedestrian path.

Thank you.

### Foreign Currency

We have noticed an increase in foreign currency coming in to the office. Please ensure that if you are making a payment that you double check the currency you are using. Thank you.

### Break Time Snacks

Please be reminded that break time snacks must be either fruit, veg or bread.

We kindly ask that no crisps, biscuits or cereals bars are brought in for snack time.

No foods containing **NUTS** are allowed in school.

Thank you.

### Special Census Day Lunch Thursday 20<sup>th</sup> January

## Zero Tolerance to Bullying

As you know our school has a zero tolerance policy towards bullying. As part of our curriculum our children regularly learn about the importance of having respect for all and are all made aware of how they can be supported if something has happened in school which they are not happy about. We also teach the children about how to stay safe online and protect themselves from any forms of cyber bullying.

Children will be taught that bullying is:

- repeated behaviour that happens regularly;
- deliberate. The bully wants to hurt, humiliate or harm the other child;
- an imbalance of power. It involves someone (or a group of people) who are stronger in some way than the person who is being bullied. They may be older, stronger, there may be more of them or they may have a 'hold' over the person (e.g. they know a secret about them).

Children will learn that bullying is not:

- a one-off fight or argument;
- when a friend is sometimes thoughtless.

All of the work we do as a school helps us to stop bullying happening by:

- Making sure that all children and adults mean the same thing when they talk about bullying;
- Helping children to understand how bullying feels for the person being bullied;
- Making sure that all children feel confident about telling an adult when they know that bullying is going on;
- Making sure that all children know exactly what to do if they are being bullied, and feel confident that something will be done to stop it;
- Helping children enjoy, celebrate and respect the ways we are all different, as well as the ways in which we are similar, and to feel good about themselves

Harley S - for writing a fantastic newspaper article this week about an escaped lion on the playground. He included the 5Ws and quotations to add detail. Harley also experimented with the language and features of newspaper articles, such as; revelation, exaggeration, speculation and sensation.

Brodie W - for independently writing a super recount of his christmas day and always working so hard and listening and always working well independently. Well done keep up the good work.

Willow H - For returning to school with an excellent attitude to learning. Willow has worked hard in all areas of the curriculum and thoroughly deserves this award. Long may this continue Willow!

Annabelle T - For showing an excellent attitude within mathematics this week and using her problem solving skills to complete 3 x 2 multiplication questions.

Stephen W - For putting 100% into his learning and for accepting a challenge! Stephen, you have really concentrated this week when carrying out your learning! Well done!

Amelia G - For impressive netball skills, great throwing and catching skills. Amelia handled the ball with control and accuracy. Well Done Amelia!
