

St Nicks Weekly News

Friday 21st January 2022

Parent Reminder

- Please be reminded that dogs are NOT allowed on the school premises.
- Smoking and vaping is NOT permitted anywhere on the school premises.
- Please DO NOT use the school car park unless you have been issued with a St Nicks Car Park pass, the car park is becoming increasingly busy and therefore dangerous for pupils exiting cars.

Headteachers Message

This week has been super busy in school with lots of fantastic learning going on. Our whole school theme at the moment is Famous For More Than Five Minutes and the children have been learning about some very interesting people. When I was in Year 6 the other day they were talking about the person who invented central heating! We are really excited to be officially launching The Ark to parents from today. Please do consider coming along to one of the drop in sessions. In the future we hope to be able to have people from different organisations coming along to offer advice and support as well. We have had a few incidents of people losing items of jewellery that they have brought into school – can I please remind you that children should not be wearing jewellery to school. I hope you all have a good weekend and I look forward to seeing you and your children next week.

Year 5 Zoneball competition

What an amazing performance from our Year 5 squad at the Beverley Cluster Zoneball competition. Fantastic team work, positive attitudes and enthusiasm displayed by everyone. Although there was no official winner, by Miss Main's calculations, our two teams topped the table. Well done everyone!

Baking Equipment & Resources

We are appealing for donations of baking/cooking equipment for our school. If you have anything that you would like to donate to us, please drop them into the office.

Thank you.

Beverley Children's Centre

Everyone at Beverley Children's Centre would like to wish you all a very Happy New Year!

We are so pleased to be bringing you our new What's on Guides. This is your guide to what is happening in your local Children's Centre.

This term we are looking at the benefits of being physically active, the outdoors and taking notice of the world around us. We have some great ideas for you and your family to try. There are also a number of websites you can visit for more ideas:

NHS Activities for kids - Healthier Families
Physical activity guidelines for children (under 5 years) - NHS

Outdoor activities for kids: fun activities for parks and gardens - BBC Tiny Happy People.

Time to Shine Awards

Isaac W - Isaac has been so determined in his maths since we came back after the holidays. He is has not let tricky questions get the better of him and, if he makes a mistake, he is quick to try and figure out why. Some fabulous learning Isaac. Well done.

Leon W – For demonstrating an increase in work load this week. Leon has applied himself fully in every aspect of his learning and he is beginning to reap the rewards. Believe in yourself Leon – You can do it!

Jake S – For such a huge improvement in his handwriting. Well Done Jake keep up the good work!

St. Nicks are proud to introduce to you our new nurture provision

‘The Ark’

The school is very lucky this year to be able to introduce to you a nurture provision which we have called ‘The Ark’.

This fits in with our new theme of classes being named after animals.

In the classic story from the Bible, Noah's Ark was a place of sanctuary for animals. We want our nurture provision ‘The Ark’ to be available for children at times when they may be struggling with their wellbeing.

During morning sessions children will be able to access this provision.

Miss Hamlyn is your Nurture Manager.

“I joined the St. Nicks team in June 2021 as an HLTA covering teacher's PPA time, which I still do in the afternoons.

In October 2021 I was delighted to be appointed the manager for the new nurture provision in school.

It is such an exciting opportunity for me to be able support your children, enabling them to focus on their social and emotional wellbeing”.

The Ark provision is also designed to enable us to work with families of children in school.

We want our parents and carers to also have access to this provision as we recognise that home and school life intertwine with each other, and sometimes you also need a place of sanctuary where you can chat about any issues or concerns that you may have.

The Ark is going to be holding a series of informal open sessions from **9.00am until 10.00am** over the coming weeks which we hope you will join us for. Tea, coffee, biscuits and a warm welcome will be readily available.

Sessions will take place on:

Friday 21st January, Friday 28th January, Friday 4th February, Thursday 10th February and Friday 18th February.

If you would like to attend any of the above sessions, then please email Miss Hamlyn: nurture@bevstnicks.co.uk

We look forward to welcoming you into The Ark.
