Non Uniform Day – Friday 4th February

On Friday 4th February we are taking part in the **NSPCC NUMBER DAY**. Throughout the day we will be doing lots of maths activities and we are allowing children to come in non-school uniform for a donation of **50p** which will go towards the NSPCC Charity.

Headteachers Message

I always seem to say here what a busy week it has been but it always is! This week has been no exception with lots of wonderful learning experiences taking place. It was lovely to see parents starting to use The Ark and I would really urge you to come along and join the sessions. As you may be aware we have seen an increase in positive covid cases over the last week and I thank you all for your co-operation in supporting us by lateral flow testing your children. Please ensure that if your child does test positive that you let us know so that we can take any appropriate measures necessary in school. Children continue to present with very different symptoms to adults ranging from vomiting to runny noses to none at all. Should you need any advice please do not hesitate to call the office and we will do our best to answer your questions. Please have a wonderful weekend and we will see you next week – February already!

Children's Belongings

We are having ever increasing amounts of belongings being left behind by children at the end of the day despite our best efforts to remind them to take everything home with them! School is also becoming quite overcrowded with large rucksacks. Please can you try to ensure that any bag your child is bringing is just big enough to carry the essential items that they need – water bottle, lunchbox, reading books and PE kit.

Also please can we ask that children do not bring toys or precious items into school.

The Ark Open Sessions

Our open sessions for parents in The Ark will run from 9am until 10am every Friday morning until further notice.

Start your day off by having a cuppa and a chat. Miss Hamlyn is looking forward to meeting you all.

If you'd like to get in touch please email Miss Hamlyn at nurture@bevstnicks.co.uk

can't wait for a cuppa with you

Time to Shine Awards

Leon H - for working hard a lot more independently in mathematics and using his problem solving's skills when struggling with the answer.

Willow H – For fantastic independent writing about the life of Neil Armstrong and making so much improvement in her handwriting. Well done! Keep it up Willow!

Isla B – For having fantastic recital skills in literacy. Isla learnt 2 verses from a poem off by heart and performed it so confidently in front of the class. Well don

Louie W- For his super contributions when looking at Neil Armstrong's life. Louie, you remembered the key dates, I was very impressed!

Elise L - has been putting so much effort into our PE lessons this term. Her hockey skills are improving every week and her games are getting more competitive. Well done Elise keep it up and we might see you playing for England one day.

Year 5 Mini Medics

On Thursday last week, pupils from Year 5 Leopard Class took part in the mini medics course. Children learnt how to do basic first aid and CPR and are now qualified Mini Medics!! Thank you to Miss Main for organising this, it was thoroughly enjoyed by all the pupils.
