Rudolph Run

This year's Dove House Hospice Rudolph Run will take place on **Monday 18th December**. On this day children may wear a Christmas jumper or clothes in festive colours.

Your child will have brought home a sponsor form this week. Please can we ask that these are returned with the donations so we can give them to Dove House. These will need to be in by **Monday 18th December**. Thank you.

Headteachers Message

It was amazing to hear how much we raised as a community for Children in Need – it was an absolutely staggering amount. I believe the medals are coming directly from them so we are unable to give you updates on when these will arrive.

We have all been very busy this week. We had a Little Wandle Development Day on Thursday. It was very pleasing to hear from the consultant how quickly and effectively we have established this new system in school and she was delighted to see the engagement of the children with their learning. A huge well done to everyone for all of their hard work on this.

Next week sees the beginning of Christmas activities with the Friends wreath making evening and us going to decorate our tree at the Minster. We have given as much notice as possible about various events and have publicised these on here, class dojo and via letters.

Dates for your diary

- Thursday 30th November Friends Wreath Making Evening
- Tuesday 5th December – FS Stay and Christmas Crafts at 9 – 11.30am
- Thursday 7th December – KS1 Stay and Christmas 11.00am-12.00pm
- Tuesday 12th December – KS1 Christmas performance PM
- Wednesday 13th December – FS2 performance AM
- Thursday 14th December – KS1 performance PM
- Friday 15th December – KS1 to panto
- Monday 18th December - Rudolph charity run and Christmas Jumper Day
- Monday 18th December – Friends of the School Disco
- Tuesday 19th December – KS2 to panto AM
- Wednesday 20th December – KS2 performance at the Minster 4.00pm
- Wednesday 20th December - Christmas dinner day
- Friday 22nd December – Finish for Christmas

FLU VACCINES WILL TAKE PLACE IN SCHOOL NEXT WEEK ON TUESDAY 28TH NOVEMBER 2023

A massive THANK YOU to everyone who donated and collected sponsors for Children in Need today. As a school we have raised an absolutely HUGE amount of £3,030 (you read that right - four figures!). This will go straight to Children in Need, and help so many worthy charities. You are AMAZING. Thank you!

Head Lice – Polite Notice

Please be aware that we are currently seeing a rise in the cases of head lice. Please ensure that you are treating your child's hair if you notice they have them.

What Parents & Carers Need to Know about SMART TVs

Smart TVs connect to the internet without the need for a set-top box or streaming device, letting users access a range of free apps through the TV's built-in apps. However, this also means that smart TVs can be used to access services such as Netflix, as well as connecting to smartphones and other wireless devices. Most smart televisions are internet-enabled, so whether you're watching your favourite TV shows or using a system for streaming on-demand TV, for your child's safety, it's always more important to consider the online safety aspects.

WHAT ARE THE RISKS?

- AGE-INAPPROPRIATE CONTENT:** Some kids are curious. In some homes, there is a problem with children accessing other content, including for younger viewers. They may be able to access other content, including for younger viewers. They may be able to access other content, including for younger viewers.
- UNCONVINING SECURITY:** As a result of things like DoS attacks, smart TVs can be hacked. This means that hackers can access the TV's internal network to disrupt high-speed internet access or to steal data. Some smart TVs also have built-in cameras and microphones, which can be used to spy on users.
- A SILENT SPY?:** Smart TVs can be used to spy on users. This means that hackers can access the TV's internal network to disrupt high-speed internet access or to steal data. Some smart TVs also have built-in cameras and microphones, which can be used to spy on users.
- CONTACT FROM STRANGERS:** Many smart TVs can be used for video chat. This means that hackers can access the TV's internal network to disrupt high-speed internet access or to steal data. Some smart TVs also have built-in cameras and microphones, which can be used to spy on users.

Advice for Parents & Carers

- MAKE IT A FAMILY THING:** Encourage your child to use the smart TV safely for educational purposes. Encourage your child to use the smart TV safely for educational purposes.
- CREATE CHILD PROFILES:** Most smart TVs have child profiles. These profiles can be used to restrict access to certain content and to set parental controls. These profiles can be used to restrict access to certain content and to set parental controls.
- SET UP PARENTAL CONTROLS:** Most smart TVs have parental controls. These controls can be used to restrict access to certain content and to set parental controls. These controls can be used to restrict access to certain content and to set parental controls.
- CONSIDER THE LOCATION:** If your child is using a smart TV, consider the location of the TV. The TV should be in a location where you can see the child when they are watching. The TV should be in a location where you can see the child when they are watching.
