

St Nicks Weekly News

Friday 12th January 2024

A big welcome back to school and wishing all our pupils and their families a happy healthy new year.

We hope you all had a restful Christmas break. Please ensure you view our weekly newsletter via email and access Class Dojo to find out what is happening in school.

Headteachers Message

It has been really lovely to see all of you this week and hear your news and welcome you back to school. This term is a relatively short one compared to the autumn term and I know that it will fly by and be Easter before we know it. For this reason your child's attendance at school is of vital importance. If there any issues around attendance or punctuality please contact us and we will do what we can to support you.

This week we received the confirmation that we have been re-awarded the Careers Mark for the work that Mrs Raisin has been leading us on. A huge thank you and well done to her and all of the staff who have supported with this. Because of the great work we have done she was invited to be part of an online forum with Westminster sharing the story of our progress! This took place yesterday and she said that it went very well and people were very impressed to hear about our careers education.

On Tuesday the teaching staff took part in restorative practice training and the rest of the school staff will complete this in April. We will share more information about this with you as we continue our journey to becoming a Restorative Practice school but if the children start talking a lot about circles then this is what it relates to!

Please can you ensure that in the coming weeks children are dressed in the correct uniform and have PE kits in school with them when needed and that they are not wearing jewellery to school.

Have a lovely weekend and we look forward to seeing you all on Monday ready for week 2!

Updating your details

Our school information management system will soon be changing and therefore we kindly ask that you update any personal details/records via the school office as soon as possible. This is to ensure all our records are as accurate as possible before we move over to our new system. Many thanks for your support with this.
