Headteachers Message

It has been a great first full week back with lots going on to keep everyone busy! Year 5 have been out with Run With It, Tigers Trust and Commando Joes have been back in and we have had children swimming as well! This term we will have one stay and play event per year group because it is such a short term. We will get the dates of these to you as soon as possible.

Over the coming weeks we have a number of lunchtime clubs starting which the children can become involved with and we have various sporting competitions coming up starting with zone ball. Please can you make sure that your children have their PE kits with them in school. At the moment it is really important that they have joggers/jumpers for outdoor PE sessions. I am sharing the link to the website page about uniform as recently we have noticed growing numbers of children in incorrect clothing:

This week we say a very sad and fond farewell to Mrs Macdonald who is leaving us after having been at the school for a very long time! She will be greatly missed and I know that you will join me in thanking her for all that she has done for the school and the pupils.

We wish her much luck and happiness with her new adventures and look forward to hearing all about them when she comes back to visit.

Have a lovely weekend and enjoy the snow/rain/ice/sunshine or whatever else the weather is going to throw at us! We will see you all on Monday morning.
