## School Car Park

Please DO NOT park in the school car park if you do not already have a St Nicks pass. If you do already have a pass and upon entering the car park realise there are no parking spaces available please do not park around the edges or in front of the wooden bin store fence. Please only use the marked out spaces, this may mean vacating the car park if no spaces are available.

For health and safety reasons you will be asked to leave the car park if you are not parked in an allocated space. We kindly also ask you do not park in the car park when attending stay and plays.

If these requests are not adhered to by users, we may have to close the car park. Thank you.

## Headteachers Message

It has been a very blustery week with Storm Isha and Storm Jocelyn and we have also had a full moon thrown in to the mix!

We have had some challenging times recently much of it stemming from children's access to inappropriate online content. We cannot stress enough how important it is to closely monitor your child's online activity in order to keep them safe and prevent them from accessing things that they may share when they are in school. We will continue to share with you the online safety weekly updates and hope that you are finding these informative.

We are working very hard as a school to encourage all of our pupils to be respectful citizens who embrace diversity and are fully prepared for life in the modern world. Sadly, since we returned to school we have dealt with a number of discriminatory comments from children, some of a racial nature and others targeting disabilities. As a school we take such incidents very seriously as they are a breach of our behaviour policy and we have a zero tolerance policy towards any form of abuse. We have to record any incidents of this nature and report them to the governors and the trustees. We are also working hard to support children to understand what is acceptable and unacceptable to ensure that everyone is treated with the respect that they deserve. Over the coming weeks we will share some websites with you with resources to support you in conversations with your child. The first of these is:

[Talking to children about racism | NSPCC](#)

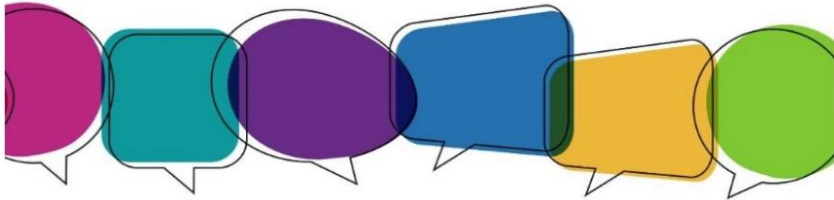

Should you require any support with anything that I have mentioned about please do not hesitate to contact us. Have a lovely weekend and we look forward to seeing you on Monday.

## Parent Reminders

- Please ensure your parent pay accounts are activated and payments are kept on top of. Failure to do so may result in meals and music tuition not being provided. Please contact the school office if you wish to discuss your school account.
- No nuts, nut-based snacks/spreads and PRIME drinks are to be brought into school.
- Please inform the school office before 9.00am if your child is going to be absent from school providing a reason for the absence.
- If your child no longer wants to attend after school clubs please inform the school office who can offer the place to our pupil waiting lists.
- Any prescribed medication / inhalers should always be signed in through the school office and collected at the end of each day.
- Please only use the car park if you have been issued with a St Nicks parking badge by the school office. We will be monitoring the car park
