Parent/Teacher/Child Consultations

Dear Parent/Carer,

We are looking forward to holding our second parent consultations of this academic year during the week commencing the 11th March. Our intention is that we will hold these meetings face to face after school and the focus of them is on helping your child to continue to move forwards in their learning.

During the meeting the teacher will share with you information about:

- their strengths
- their areas for development
- how you can help to support your child's learning at home
- your child's wellbeing in school

You will also have the opportunity to ask any questions that you may have.

These appointments will only last for 10 minutes. If you feel that you have many things you wish to discuss with your child's teacher, they will arrange another appointment at a mutually convenient time. We hope you understand that because we need to see all parents we will need to stick closely to the allotted times. There will be chairs placed outside the classrooms for you to use while you wait if the teacher is still seeing another parent. The appointments will take place on Tuesday 12th and Thursday 14th March with the exception of Rhino Class whose appointments will take place on Monday 11th and Tuesday 12th March. We have Trust training on Wednesday 13th March after school so cannot arrange appointments for this evening.

Please can you indicate on the slip below convenient times for you to attend this meeting. We will try wherever possible to put sibling appointments close to each other. We would be grateful if you could return the slip by Monday 26th February. We will send you confirmation of your appointment date and time by Friday 8th March.

We look forward to talking to you about your child's learning.

School Car Park

Please **DO NOT** park in the school car park unless you have a school pass. If you do have a school pass please only park in the marked parking bays, if they are all full please leave the car park.

We are unable to issue anymore parking passes due to limit of spaces in the car park.

If events continue to happen that are dangerous we will close the car park to all. Thank you.

Pupil Voice

Scarlett (KS2 - Panthers)

"In swimming I dived in from the deep end. In English we have been writing thriller stories and I liked writing the tense bits."

Hazel (KS1)

"In maths we have been learning about our number bonds to ten, and in PE I had fun doing the Goldilocks dance."

Head Teachers Message

It has been a very busy first week back following half term and we have thoroughly enjoyed having the children back in school. Please can we remind you that the children should be wearing uniform and need their PE kits with them. They also need to remember to bring a coat as the weather is very changeable at the moment! Coming up this half term we have our stay and play events and parent/teacher consultations. It would be great to see as many of you as possible in school for these events. Please can I remind you again that the car park is just for staff use and for those parents/carers who have a car park pass. There has been a huge increase in non-entitled people using the car park and this is leading to the car park becoming quite dangerous. Should this continue we will have no choice but to close the car park. Have a lovely weekend and enjoy the sunshine!
