Friday 2nd February 2024

Headteachers Message

Thank you so much to our first pupil voice volunteers – it is really lovely to have the children sharing their thoughts on the newsletter. A huge well done to FS2 who went on a visit to Flemingate. They behaved beautifully and represented our school really well. Next Tuesday we have Prison Me No Way in school working with our Year 5 and 6 children. This will be a really interesting day for them.

You will have been sent an email about updating some details with us for our new information system Scholar Pack. The office staff have done a great job of transferring everything over from one system to another but now just need your help to make sure everything that we need is on there, so please do ensure that you reply to them as quickly as possible. Have a lovely weekend and we look forward to seeing everyone next week which is Children's Mental Health Week.

Foreign currency

We have noticed an increase in foreign currency being used for Tuck. Please check the coins that you are sending your children to school with.

Thank you.

Pupil Voice

At school I have had fun counting in maths, playing in the classroom, and dancing in PE.

I have really enjoyed my English lessons this week. We were taking objects out of a bag, and writing stories about them. I love writing stories.
