Friday 10th May 2024

Headteachers Message

A massive well done to the children who represented our school in cricket on Tuesday afternoon. They played very well and reached the final. We look forward to more matches as the term progresses. Next week we have some children going to the Quads Kid event at the Grammar School – we hope that they have a great time. Our Year 6 children will be sitting their SAT's next week – it is vitally important that they are in school every day unless they are ill. A huge thank you to Sally in the kitchen who is going to make them sausage butties each day so that they all start the day well. We know that everyone will do their best and we are grateful in advance to the rest of the school for keeping things as quiet as possible for them during the mornings when they are sitting their tests.

We are currently in the process of making arrangements for classes next year. There will be some changes to staffing which we will share with you as soon as we can. The structure of the school next year will be slightly different in that we will have one Year 1 class, two Year 2 classes, one Year 3 class, two Year 4 classes and three Year 5 and 6 classes. These decisions are made based on the numbers we have in each year group. As ever when we group the children we will be considering a wide range of factors. Information about which class your child is in next year will be shared with their annual report in early July.

**St Nicks

Bikeability Training

The booking for this training has now closed. Thank you to those pupils who have returned the forms and paid the fee via parentpay. A date for the training will be shared once a date is secured with the training team.

Thank you

School drop off request

Please can we ask that parents/guardians and carers stay with their children until a member of staff has collected them.

It is important children are supervised and reminded of the playground expectations to avoid any accidents from occurring.

Thank you for your continued support.
