	Head Teacher Reviewer <i>(the Chair will take on this role in the autumn term).</i>

Objective 1: To continue to improve outcomes and the quality of education across the school in reading, writing and mathematics.

Objective 2: To further develop comprehensive assessment, tracking and feedback systems which allow staff to carefully monitor and maximise progress and attainment.

Objective 3: To further develop a culture of inclusion and aspiration in which all staff are active participants reflecting on and supporting the behaviour and attitudes of pupils.

Objective 4: To further improve the inclusive provision of our school ensuring that children who are at risk are effectively identified and supported.
