We return back to school on Wednesday 4th September 2024

Headteachers Message

I can barely believe that we are already at the end of our academic year – apologies my message this week is going to consist of lots of thank yous! To all of our families and children leaving us this week, thank you so much for all of your support during your time with us. We have loved having you as part of our community and we wish you well as you move on to pastures new.

Thank you to Ben and Mike for their weekly visits and to Sarah, Liz and Steph from TLG and to Cathy and all at Beverley Schools Christian Trust for all that you have done for our school this year. Massive thanks to the Friends of the School who have been incredibly active this year and have done a fabulous job. The hugest thank you from me to all of our fabulous staff who have often gone above and beyond to ensure that our children are getting the best possible experiences. Thank you to you as parents for all you have done to support the school. The final thank you goes to the children for being amazing and making our school a great place to be! Should you need anything over the holidays I will be checking my emails regularly so please email bsnhead@bevstnicks.co.uk if there is anything that I can help with. Have a fabulous summer and we look forward to welcoming you all back to school on September 4th.

All the staff at Beverley St Nicholas would like to wish a fond farewell to our Year 6 pupils. We wish you lots of luck at your new secondary schools, it has been a pleasure watching you learn and grow during your time with us. We also say goodbye and good luck to Mrs Wood who is leaving us. Thank you for all your hard work and dedication during your time at St Nicks! You will be missed by all.

Message from Edukos Trust CEO

EXCEPTIONAL. TOGETHER.

#friendly, #growth, #trust

I do hope that this short message finds all our extended families well and looking forward to the summer months (we just need the weather to catch us up!)

I am really pleased to be able to share with you, examples of where our Trust visions and values have been demonstrated over the past few months.

Schools have been working hard TOGETHER on embedding the visions and values of the Trust alongside their own school's vision and values. If you haven't seen anything in relation to your school's vision and values, please look at their website where you will be able to find out more.

There have been so many examples of where these values have been lived and breathed that it is hard for me to summarise succinctly. One thing that does stand out is the way in which our schools work on trips and visits. It was heartening to see Swanland and Dunswell collaborate on two residential trips this term. Year 4 to Cranedale and Year 5 to Robinwood. Here children had an EXCEPTIONAL experience TOGETHER with many #friendly interactions with new people allowing them to achieve their goals whilst placing #trust in those around them to help them with #growth in their confidence.

At the end of last year, we appointed Trust Subject Leaders who lead on subject specific areas across all schools. We have been really pleased with the contribution these leaders have made towards the work on the Trust's spine curriculum.

Our Trust Ambassadors from Years 4, 5 and 6 have met on several occasions this year and have worked TOGETHER to develop strategies and ideas around their wellbeing. We look forward to sharing more about their work in the coming months.

Staff have also had opportunities for #growth; working TOGETHER on the NPQLTD (National Professional Qualification for Leading Teacher Development) programme. This is delivered by Trust senior leaders, alongside Vantage Teaching School Hub and embodies the vision and values of Edukos Trust.

A #friendly yet EXCEPTIONAL way of delivering a programme that requires #trust from all involved to help develop the teachers and leaders within our organisation.

Finally, we're looking forward to coming TOGETHER with all those in a governance roll for our inaugural Governance Conference in September. This will be a great opportunity for Trustees, Governors and leaders to collaborate in their respective role.

As the summer term starts drawing to a close, leaders within the Trust are working closely to bring TOGETHER a strong plan for the new academic year, whilst also preparing to say goodbye to our oldest children in schools. We know that the firm foundations provided by their schools will allow them to go forth with confidence having been given the chance for #growth in all that they have done in their time at an Edukos Trust school.

I wish you a very happy, enjoyable and hopefully restful summer break.

Chris Huscroft | CEO
