Dove House Santa Run and Christmas Jumper day

We are raising money this year for Dove House Hospice and are taking part in the Santa run which will be on Thursday 19th December. All children will receive a Santa hat for taking part. This day will also be Christmas Jumper day.

Your child will have come home with a sponsor form this week, please bring any donations in to the office by Thursday 19th December.

Headteachers Message

Now that winter has really arrived please can you ensure that your child always has a coat with them and that they are wearing suitable clothing for the weather. Inside school it is warm so there is no need for children to be bringing hoodys or non uniform jumpers in. Our boiler at school has unfortunately been condemned but thanks to all of the team at school and at the trust we have worked really hard to arrange for a new one to be fitted next week. This means that we have a week with no hot water. We have been in touch with various agencies to get advice about this to ensure that we are taking all necessary steps whilst we are without hot water.

The Mental Health Support Team came and delivered an assembly to the whole school yesterday about Five Ways to Wellbeing. The children engaged brilliantly with this and were very forthcoming at answering questions. The team are back in during December to deliver workshops to Key Stage Two.

PC Carl Osler was also in this week to deliver a really interesting workshop to Year 5 about hate crimes. Thank you to him for visiting us. We have followed up on this in school with the children.

Whatever you are up to this weekend I hope that you have a restful time and we look forward to seeing everyone on Monday.
