Arbor

ARBOR Parent App

Parents should have received an email from Arbor asking them to activate their parent account. Over the coming months we will be slowly starting using this app to send emails and messages to parents. **This in the near future will replace the text/email system we currently use. We strongly urge ALL parents to get onboard and use this app for communication purposes as this will be the new email system.**

Once we have transferred fully to the Arbor communication system texts will no longer be sent. We will communicate via direct email to parents' inboxes and direct messages to the Arbor App.

The Arbor parent app can be downloaded from the Appstore and Google Play

Headteachers Message

We have had a fabulous Book Week with visits from two authors which has been fantastic. The dress up day yesterday was a huge success and we loved seeing all of the imaginative and wonderful costumes that the children were wearing. Thank you to all of you for your efforts in supporting your children with their costumes.

As a follow on from Book Week please consider having a look at this fabulous website where they take donations of books that your children have grown out of and share them with children who don't have access to books:

<https://childrensbookproject.co.uk/give-books/>

As a staff this week we have had the final part of our Trauma Informed Schools training which has been very informative and will certainly inform our practice moving forwards. The Ark is now being used as a nurture provision which is a really positive step forwards for our school and is helping to support the needs of a number of our pupils.

SCHOOL CAR PARK

Due to the increase in the volume of traffic in the school car park, we would like to review the list of parents/carers currently in receipt of a school car park permit. The needs of our school community are always evolving so it is important that priority access is given to those vehicles that need it the most.

If you currently hold a school parking pass or have had previous permission from the school to use our car park, please speak to a member of the office team who will compile a list of current users. The senior leadership team will then make a final decision on which vehicles can officially enter the school car park and new passes will be provided accordingly.

School Dinner Menu WC – 10/03/2025
