# Happy Easter!

We hope all children and families have a lovely Easter break. Children return to school on Wednesday 23<sup>rd</sup> April 2025.

## Headteachers Message

Thank you so much for all of your support over the last term. Attendance for this academic year so far is at 93.4%. This is slightly below the national average of 94.5% and ideally we would like to be at 96% or above. We really appreciate you working with us to improve the attendance at school and please do contact us if we can offer you any support.

We had a lovely assembly this morning which the whole school attended, including the FS1 Robins. We gave out respect certificates to children across school who have demonstrated this value throughout the term. We also ran a respect competition which was won by Millie in Year 4. Many thanks to the Friends of the School for providing the prize for this.

We return to school on Wednesday 23<sup>rd</sup> April and on this day we will have lots of Edukos Trust visitors as we will be having a School Review. During the day they will be chatting to the children and finding out about their learning.

Have a lovely spring break and we look forward to seeing you in just over a fortnight.

## ARBOR Parent App – REMINDER

Parents should have received an email from Arbor asking them to activate their parent account. Over the coming months we will be slowly starting using this app to send emails and messages to parents. **This in the near future will replace the text/email system we currently use. We strongly urge ALL parents to get onboard and use this app for communication purposes as this will be the new email system.**

Once we have transferred fully to the Arbor communication system texts will no longer be sent. We will communicate via direct email to parents' inboxes and direct messages to the Arbor App.

**The Arbor parent app can be downloaded from the Appstore and Google Play**
